LEADING KIDS TO KNOW CHRIST AND MAKE HIM KNOWN

A FRUITFUL YEAR

A MESSAGE FROM OUR DIRECTOR:

Happy New Year! 2023 is here and I am so excited for all God has in store! Last year was an amazing year and we are expecting no less this year. Our word for the year is "fruitful" and we plan to produce fruit in every area of our lives. One way we do this is by growing in the area of fasting.

As a church, starting January 9th, we will begin 21 days of prayer and fasting. This month we are challenging our students to grown in Christ through the spiritual discipline of fasting. In the 7-11 class, we will discuss what fasting isn't, what it is, and give them a daily Bible reading plan to follow along with their 4 for 4. I know that may be a big challenge for the younger children, but please include them in on what you're doing as a family; this will be great exposure for them. We can't wait to hear the testimonies!

Speaking of being fruitful, we kicked our year off right by adding 10 new Anthem Kids Volunteers to our team. That is huge and we are so grateful to God for providing! As an ever growing ministry, we

are always in need of volunteers. If you would like to get in on the fun, please join us Sunday, Feb. 5th at 9am in the Grow Room for our New Volunteer Orientation. You can serve 1 or 2 times a month as a classroom assistant, classroom teacher, at registration, or behind the scenes.

We are also so excited to have had some of our very own Anthem Kids publically display their faith through baptism last year. What an awesome way to express the fruitfulness of what has been taught!

Parents, thank you for such a wonderful 2022. Let's continue to make disciples who make disciples in this fruitful year!
